Our bargaining team will soon begin negotiating your union contract. This survey will help our team understand what issues exist and where everyone's priorities are.

*For each item, put a check mark in one of the gray columns & write comments in the white column.*

1	I want a pay increase to keep up with the cost-of-living.				
2	I want more vacation time, bereavement leave, or other types of leave.				
3	Improved probationary and trial service rights are important to me.				
4	I want reduced or free parking.				
5	I want better job security to prevent unfair termination or discipline.				
6	I want callback and stand-by pay to be increased.				
7	I want more training on safety and emergency preparedness.				
8	I want more opportunities for professional development and training.				
9	I want to be given work appropriate to my job classification.
